

No one Like Our God

The Sun it torches the sky
A distant star bursts to life
Behind it all, there You are,
Sustaining
The raindrops water the earth
And then the harvest gives birth
Behind it all you remain,
Sustaining

Fall on your knees, there is no one like our God
Worship the Lord, King of Kings

*No one ever could compare
With this God the angels praise
The creator of all things
Who could add to His great worth?
Or instruct Him in his ways?
To this God my heart will sing*

A nation triumphs then fades
A man is hailed for a day
But your great power endures
Forever
The markets climb and then fall
A rich man loses it all
But your provision is sure
Forever
