

God you are my God

God you are my God
My soul it thirsts for you
Longs for you
Though my heart is faint
I long to worship You
Worship you

And all I am I place in your hands

*I'll put my trust in God
Knowing His truth as my rock
His mercy is greater
Compassion runs deeper
So I will rest in His love*

Though my words are gone
You search within my heart
Know I'm yours
Though the pain is strong
You give me strength to hope
Through the storm

I have tasted of your goodness
I have seen your power and glory
Won't you lead me to the rock that is higher than I

(Faithful beyond circumstance)
I know He'll do no harm
(Because your love is better
Than anything in my life
My soul will cling to You)

My soul finds rest in God
My hope comes from my God
My salvation and honour depend on God
Beyond any words

Mighty and strong
Loving and faithful,
Trust in him at all times
Pour out your hearts to him

(nothing can pull my heart, away from yours)
separate
my heart from yours)
Covered by your wings
My foot will not slip
Than any I'll find on the earth

Take refuge in the shelter of His wings
For I am now his

He will not let your foot slip
He will protect you in the time of trouble
Your tower of protection
Your wings that shield me

Though my soul feels empty I am already yours
Nothing can separate me
Though my words have disappeared
You search deep into my heart and recognise me

You'll protect me through this gruelling storm
When the enemy comes close
