

You

You Lord have given me life
You are my hope and strength
You Lord are all that I need
I will worship You alone

You Lord have made me Your son
You have forgiven my sins
You Lord have filled me with joy
I will worship You alone

*Jesus, You are Lord of all
You rule in majesty
Jesus, You're the Holy One
And You gave Your life for me*

Now Lord, I'll trust in you
You are the Faithful One
Your ways are just and true
I will worship You alone

All of my days I will sing
Of Your great love for me
You Lord have given me peace
I will worship You alone

You gave Your life for me...
