

## What Would I Do?

What, what would I do?  
Where would I go?  
Who would I be?  
If it wasn't for Your mercy  
Who, who would help?  
Who could save?  
Who would care?  
If it wasn't for Your saving grace

*Now, the old has gone  
Now, a new day dawns  
Now, the old has gone  
Now, a new day*

What, what would I do?  
Where would I go?  
Who would I be?  
If it wasn't for Your mercy  
Who, who would help?  
Who could save?  
Who would care?  
If it wasn't for Your saving grace
