

## He watches over me

*He watches over me,  
All the things I hope to be  
He sees my deepest heart  
Every part, completely*

At times I doubt and wonder where this road is leading  
There's so much sorrow, so much pain it leaves me grieving  
But to the Rock I cling and cry out for salvation  
To sense my Father's love and know his affirmation

Goodness and mercy have been constantly beside me  
I've seen God's hand of grace providing for my family  
Why would I ever turn or wander from his presence?  
His Love and holiness are shining in the darkness

Love and mercy always upon me  
Grace and wholeness ever before me  
Power and glory shining above me  
What a God you are!
